REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Gilmanton:

I herewith respectfully submit my fourth annual report as superintendent of Gilmanton schools:

STATISTICS

	1934-35	1935-36
No. of schools in session	8	8
No. of pupils registered	158	143
Average membership	136	129
Per cent of attendance	92	93
Cases of tardinesses	399	216
No. of pupils not absent or tardy	18	16
Pupils transported at district expenses	27	24
Visits by superintendent	123	141
Visits by citizens	350	344
Visits by board members	16	14

As the above table shows there was a decrease in number of pupils registered in our school during the last school year. The average membership also dropped. There was an improved record in tardinesses.

ROLL OF HONOR

Good health and home cooperation and encouragement are usually responsible for perfect attendance by pupils. The following pupils are given special recognition for having been neither absent nor tardy during the last school year:

<i>Iron Works (Grammar) :</i>	<i>Jones' Mills:</i>
Mary Bennett (2 years)	Harmony Stockwell
Crosby Scoville	Victor Flanders
	William Stockwell
	Leonard Stockwell (2 years)
<i>Corner:</i>	<i>Potter:</i>
Thelma Nutter	Eleanor Camm
	Ruth Geddes
	Mae Geddes
	Annie Shlaitas
<i>Smith Meeting House:</i>	<i>Kelley's Corner:</i>
Eleanor Twombly	Geraldine Hawkins
Richard Hanson	
Benjamin Twombly	
Ernest Wells	

It should be noted that Mary Bennett and Leonard Stockwell have had perfect records for two years.

GRADUATION

Exercises participated in by pupils from all the Gilmanton schools were held at the Town Hall, Gilmanton Iron Works, on the evening of June 15, 1936. Credit for the success of this occasion goes to both pupils and teachers.

The eighth grade graduating class was probably the largest we have had for some time. There were twenty-one pupils on the class roll with six of our schools represented in the group. Mr. Charles G. Kelley, Chairman of the School Board, presented the certificates to the graduates.

CLASS ROLL

Iron Works:
William Davis
Virginia Prescott

Ethel Perkins
Crosby Scoville

Richard Hanson
Laura Page

Gale:
Blanche Martin

Potter:
Annie Schlaitas

Anna Downs

Fourteen of this class entered high school in September.

TEACHERS

Miss Dorothy Boland resigned in June, and before the opening of schools in September Miss Anna Gobis and Miss Rosemary MacAulay also presented their resignations. Miss Gobis had been offered a position in Pembroke and Miss MacAulay a position in Concord. We were sorry to lose these teachers. These vacancies were filled by the appointment of Miss Josephine Karwacki of Manchester for the Kelley's Corner School, Miss Dorothy Conway of Holden,

Massachusetts, for the Smith Meeting House School and Mr. Russell Raymond of Keene, for the Gale School. All three of our new teachers completed the work at the Keene Normal School last June. All three are doing very good work.

The following table shows the present assignment of teachers, salaries and enrollment at each school:

<i>Teacher</i>	<i>School</i>	<i>Salary</i>	<i>Enr'l.</i>
Alfreda Hersey	Gilmanton Corner	\$900	22
Richard Erwin	Jones' Mills	800	9
Josephine Karwacki	Kelley's Corner	750	9
Eleanor Cronin	Potter	750	14
Dorothy Conway	Smith Mtg. House	750	18
Russell Raymond	Gale	800	10
Arlene Doran	Iron Wks. (I-IV)	825	19
Patricia Willey	Iron " (V-VIII)	850	19

The total enrollment is 120, a drop of 11 from last year and 22 from two years ago.

HIGH SCHOOL PUPILS

The enrollment of pupils from Gilmanton in high schools in September 1936, was as follows:

Alton High School

John Clough	Thomas Edwards
William Davis	Richard Price
Ethel Perkins	Constance Davis
Crosby Scoville	Vera Edwards
Philip Bordeau	Leon Perkins
Robert Bordeau	

Laconia High School

Louis Cota	Evelyn Page
Everett Clifford	Ethel Page
Edward Heinis	Laura Page
George McClary	Katheryne West
Grace McClary	Cortland Wilson
Manning Margeson	Judson Wilson
Herbert Munsey	John Svacs

Pittsfield High School

Virginia Brown	Donald Kelley
Charles Edgerly	George Kelley
Margaret Edgerly	Annie Shlaitas
Pauline French	Wanda Shlaitas
Geraldine Hawkins	Ruth Willard

Concord High School

Lura Bunker

Belmont High School

Robert Riggins

There have been changes in this list, because of change in residence or removal from school, since the beginning of the school year, but the number at this time is well over thirty.

The cost of high school tuition this current year will probably be not less than \$2500. No provision is made by the State for assisting districts in meeting this increasing high school tuition expense. The district must assume this financial responsibility unaided. Nor are there any state funds that can be applied for the transportation of pupils to a high school in another district. This financial responsibility must be assumed entirely by the parents. The state might well provide some way of extending state aid to cover both these items.

REPORT OF SCHOOL NURSE

*To the Townspeople, School Board, and
Superintendent of Schools:*

The school year 1935-1936 showed some improvement in the conditions affecting the health of the Gilmanton school children. No serious epidemics broke out to weaken resistance. Eight children having diseased tonsils have had the necessary attention. All show marked improvement, especially in weight gains. Fewer colds among this group show the benefits of a healthy nose and throat. We are very fortunate in having available in both Laconia and Wolfeboro the very best hospital service at rates low enough so that anyone really needing this operation can afford it.

There are ten new pairs of glasses being proudly worn this year. In many cases old glasses have been refitted. However, there are still seven children suffering from bad eyesight who are trying to do school work with no benefit from glasses.

About twenty-one children have been fortunate enough to receive dental attention. This work should be available for every child in town. The teeth are in very poor condition, especially the six-year-molars, which are the first and also the most important of the permanent teeth. Many parents are begging for dental clinics. It is just a question of where the necessary money is to come from. It will probably average as much as \$5.00 per child to get all necessary work done, even at clinic rates, such is the condition of the teeth. No State or Federal money is available for this purpose this year. All bills must be paid by the individual or raised locally.

A very small amount of Federal milk was available in Gilmanton last Winter and only served to those really in need of it. No milk has been available this year. Hot lunches were served in some of the schools during the Winter months.

Following will be found a statistical report of the Health work done in the Gilmanton schools last year :

Visits to schools	74
Visits to homes	159
Total visits	233
Days spent	28.1
Pupils examined	126
Defects found	160— $1\frac{1}{2}$ per pupil
Defects corrected	32—19% of defects
Without defects	36—28% of pupils

I wish at this time to thank parents, teachers, and school board members for their interest and cooperation in the school health work.

Respectfully submitted,

RUTH S. LANGILLE, R. N.
School Nurse.

REPAIRS AND ALTERATIONS

The lighting condition of the Gale building has been much improved by the addition of windows. This change

was made in part to meet the requirements of the State Department. We now have an attractive and reasonably satisfactory school room, and with a good teacher and interested children we have a good school. The building, however, is in need of paint and the roof should be re-shingled.

The chemical toilets at the Academy building, which had outlived their usefulness, have been replaced with a septic system. The results seem to warrant this outlay, although somewhat larger than had been anticipated.

Something should be done before another year to make more satisfactory the toilet conditions at the Smith Meeting House School.

FINANCES

We may expect a deficit at the close of this financial year of about \$600.00 unless a special appropriation made at the annual meeting, as suggested by the school board. This deficit is primarily due to the unexpectedly large outlay for the installation of the septic toilets at the Academy Building.

The proposed budget for the next financial year totals practically the same as the budget adopted a year ago.

We received as State Aid this year \$4,714.90. As the equalized valuation of Gilmanton has decreased it is possible that we may receive a larger amount next year, although these figures have not as yet been released by the State Office.

I wish again to express my appreciation for the assistance given me by the School Board, the teachers, the children and many others which has had much to do with making this school year a happy and successful one.

Respectfully submitted,

CHANNING T. SANBORN,
Superintendent of Schools.
